Frozen Gourmet

Model 455

The National Vendors legacy in food continues... introducing the Frozen Gourmet.™

SureVend™ is a remarkable new guaranteed product delivery system.

The type of innovation you've come to expect from National Vendors. Infrared technology detects whether the vended product has dropped, guaranteeing that your customers either receive their product, or get their money back.

Capacity

The highest capacity glass front frozen/refrigerated merchandiser in the industry means you fill less and sell more. Offer your customers the selection they deserve.

Merchandising Flexibility

Sell entrees and single serve items on the same shelf to maximize your space to sales ratio. Vertical shelf height adjustments can be made in 1" increments.

SureVend™

Guarantee delivery of products with SureVend™... a standard feature on the Frozen Gourmet – exclusive to National Vendors in this category.

Storage Tray

Standard storage tray for dozens of entrees or novelties to avoid extra trips to the truck. Holds up to 32 standard size entrees.

Operational Features

Three temperature ranges with user adjustable set points in each range. Operate Hard Freeze, Slack Freeze or Refrigerated.

Triple pane heated glass prevents condensation.

Foamed in place cabinet and door for increased energy efficiency and insulation properties.

Retracting delivery door ensures precise internal temperature control and enhances product security.

Large capacity refrigeration system (3/4 HP compressor) enables pull down times of two hours in challenging 95°F/70%RH environments.

Advanced Electronics

multiple pricing and data recall (by selection, tray, or machine); self diagnostics; time and date capabilities; winner mode (1:10 to 1;9,999); discount mode; inhibit mode; and, custom messages.

Programmable defrost with electronic control.

Fits through 36" commercial door.

Consumer Convenience

Dedicated selection interface provides the most customer friendly selection interface.

Slide Out Monetary

Allows easy access to systems without opening the main door.
