

It's Time To Change!

merchant **SIX**

D I S T I N C T L Y D I F F E R E N T

New equipment and payment system technology, greater reliability and performance, and superior product variety make Merchant Six the complete merchandising solution for any location.

CONSUMER EXPERIENCE

With more selections, new styling, and an enlarged glass front window, Merchant delivers a wider variety of products in a fresh, new way that keeps your consumers coming back for more. An optional bill recycler that accepts and pays back bills sets a new standard for consumer convenience.

RELIABILITY

Save your business the hassle of dealing with annoying service calls, failed vends and frustrated consumers by choosing Merchant. Crane's latest sensing technology (SureVend) guarantees consumers get their product or they get their money back. With an 80-year legacy, the Crane National Vendors brand is renowned for superior durability and reliable operation.

Have a Nice Day!
